

General Excursions

As part of our curriculum, it may be necessary for your child to leave the school grounds to walk to various local locations, e.g. local police and fire stations, Hamilton State School, and for cross country and fitness training, etc. Students will be accompanied by their teachers, teacher-aides and volunteer parents on all outings. You will be notified of these excursions through newsletters and specific notices.

We do require parent/guardian permission for your student to leave the school grounds for school organised activities.

Thank you

I do / do not (circle one) give my child _____ permission to leave the school grounds and participate in these local walking excursions.

Parent / Guardian's name: _____

Parent / Guardian's signature: _____

Date: _____
